I don't know ☺, I guess we will need a conference line. Mr. Ritorto, can you help with that?

Thanks

If you do a direct call to Erin, would you also be able to do a direct call to me in Helena??

We can do that or we could just call her direct if necessary.

Yes, if you could set up an call-in number for the Wednesday risk assessment discussion, and send that number to Erin Formanek, I would appreciate it.

Hi all!

I will be getting to the site around 3:30 or 4:00 on Monday, and was planning to be at the City Council meeting on Monday. I can be at the Tuesday meeting to discuss comments and next steps as necessary, and will need to head back to Helena in the afternoon. Colleen will be at the Wednesday meeting to represent DEQ. For the risk assessment discussion, I could call in if there is a call in number that would work.

Subject: Rough schedule for Next week (April 17-19)

I plan on being on site late Monday afternoon, 3:00 pm +/-.

I will be meeting with Robert Moler around 5:30 pm
City Council Meeting starts at 7:00 pm

I would like to set some time on Tuesday to discuss our comments and next steps. How about an 8:30 am? We could also discuss Nino's comments and our Reply. (Lisa, I'm not sure when you are getting in do we need a later start?)

Wednesday Michael has setup time to discuss risk assessment. Can we change that to an 8:30 am start? I think that goes until noon. I plan on touring Brian and Gunnar after lunch. Anyone else is welcome to join.

CLP meeting starts at 6:00 pm

Please let me know any adjustments we may need to make. I will do my best to accommodate.

Thanks,
Mike
